

Janet Poklemba, CP, FRP

I grew up in the Fort Myers area. After graduating from high school, I relocated to Tampa for a few years, then returned to Fort Myers and attended and earned my Associates Degree in a Paralegal Program at a local college in Fort Myers. In 1991, while attending college, I worked as a paralegal in a sole practitioner's office handling the estate and guardianship matters. In 1999, I moved to a larger firm based out of Stamford, Connecticut, Cummings & Lockwood LLC, working in their Trusts and Estate section, handling estate and guardianship matters. I am a Certified Paralegal and Florida Registered Paralegal. I have served on the Board for the Paralegal Association of Florida, Inc. as President, First Vice President and Second Vice President at the Chapter level and as Second Vice President at the State level and have served on various committees within the Chapter level. I have been involved in PAF since the Southwest Florida (f/k/a Gulfcoast) Chapter was formed in 2002.
